

**HAJNAL, ANDRÁS**

**Professor II**

**Birthdate:** May 13, 1931

**Research Interests:**

Logic, Set theory, Discrete Mathematics

**Education:**

Ph.D., (1957), Bolyai Institute of the József Attila University, Szeged, Hungary  
M.A., (1953), Eötvös Lóránd University, Budapest, Hungary

**Positions:**

Present, Professor Emeritus, Mathematics Department, Rutgers University  
Present, Honorary Member, Alfred Renyi Institute, Hungarian Academy  
1994-2004 Professor II, Mathematics Department, Rutgers University, NJ  
1994-1995, Director of DIMACS  
1970-1994, Research Professor, Mathematical Institute of Hungarian Academy  
of Sciences.  
1982-92, Director, Mathematical Institute of Hungarian Academy of Sciences.  
1979-1995, Professor, Eötvös Lóránd University, Budapest, Hungary  
1956-1979, Eötvös Lóránd University, Budapest, Hungary

**Visiting positions:**

2004, University of Calgary, Canada, PIMS Visiting Professor (2 months)  
1997, University of California, Irvine, Visiting Professor (1 quarter)  
1994, University of Calgary, Canada, Kilam Visiting Professor (8 months)  
1991, University of Calgary, Alberta, Canada (4 months)  
1990, Dartmouth College, Hanover, NH (two quarters)  
1987, University of Illinois at Chicago, Chicago, IL (two semesters)  
1985, Dartmouth College, Hanover, NH, (one quarter)  
1984, University of Calgary, Alberta, Canada (2 months)  
1982, University of Torino, Italy (2 months)  
1982, University of Calgary, Alberta, Canada, (one semester)  
1979, Ulam visiting professorship, Boulder, CO (one semester)  
1975-76, Calgary University, Alberta, Canada  
1970-71, Calgary University, Alberta, Canada  
1969, Steklow Institute, Moscow, 6 months  
1964, Berkeley, University of California, 12 months

**Awards and Prizes:**

1992, Officer's Cross of Decoration of the Republic of Hungary  
1982, Member of the Hungarian Academy of Sciences  
1976, Corresponding Member of The Hungarian Academy of Sciences  
1970, Hungarian State Prize  
1967, Academic Prize of 1st Decree

**Selected Professional Activities:**

1990-1994, President, Bolyai Society  
1980-1990, General Secretary, Bolyai János Mathematical Society of Hungary  
1983-1987, Vice President, DLMPS of the IUHPS

**Invited address:**

1974 International Mathematical Union Congress, Vancouver

**Editorial Boards:**

Combinatorica

Discrete Mathematics

Acta Math. Acad. Sci. Hung.

Studia Scientiarum Mathematicarum Hungarica

**Publications**

Published more than 150 research papers, more than 55 with Paul Erdős, one monograph and two textbooks
