

ARRIVAL to NYÍREGYHÁZA

The arrival date is 26 July, Monday. If you have not informed us about the particularities of your arrival yet, we kindly ask you do so, even if you do not require assistance.

To get to Nyíregyháza we recommend the IC train leaving Budapest, Nyugati Railway Station at 14:23 (called "Vértese Intercity"). You can join in at Budapest Kőbánya-Kispest Railway Station at 14:37, where too this train stops. This station is much nearer to the airport, so if you arrive by plane you don't need to travel through whole Budapest. Actually, this is the other end of the bus line number 200, or widely known as airport bus. The price from Nyugati Station (2nd class, including compulsory seat reservation) is 4360 HUF.

Of course, there are other trains, for details, please see the homepage of Hungarian State Railways at <http://elvira.mav-start.hu>.

If you arrive by plane, we suggest indeed that you get on the train at Kőbánya-Kispest Railway station. One of the organizers (Béla Nagy) will be waiting there, at the ticket counter. Since there is a huge construction around there, if you would like to join we kindly ask you to contact him at nbela@math.u-szeged.hu. (You can also buy the railway ticket there, if you arrive at the station say, before 14:00.)

If you arrive at Budapest later and can not join the group travelling this recommended train, then it is even more important to contact us to discuss your personal travel plan and the possible assistance we may offer.

GETTING TO THE CAMPUS

The address of the College is Sóstói út 38. There is a map on the website about the campus and the important buildings (dormitory, venue of lectures, etc).

If you arrive at Nyíregyháza by train, take the bus no. 8 (or 8A) from the Railway Station and get off at the University (this is the eight stop and is called Tennis Court). Driving by car we suggest that you use some of the standard maps on the internet or our home page. For other means of transport please consult the organizers directly.

REGISTRATION FEE

The registration fee is 200 EUR or 50 000 HUF for participants and 100 EUR or 25 000 HUF for accompanying persons or for participants who asked for financial support in the form of reduced registration. The registration fee covers coffee breaks and accommodation. Please let us know in advance, if you need official receipt / invoice (for getting reimbursement e.g.) as we need to prepare these documents in advance.

ABSTRACTS AND TALKS

We kindly ask you (if you have not yet done so) to submit a short description of your talk for the book of abstracts. Please use the template available on

<http://www.renyi.hu/~sspt9>

under the Files menu or otherwise use only basic plain Latex. Please also do specify how many talks you would like to give and also the amount of time required (e.g., 1,2 or 3 times 45, 60 or 90 minutes). For the talks, a whiteboard and a projector is available. If you need special equipment or computer programs such as an overhead projector (for transparencies), Powerpoint PPT, or would like to show some movies/animations, then please let us know in advance, so that we can make the necessary arrangements. However, please be aware of the fact that classical blackboards, unfortunately, are not available.

SOCIAL PROGRAM

Besides the scientific part of the SSPT social programs play an equally important role. Preliminarily we plan the following programs:

Monday - sandwiches, small reception for the tired travellers
Tuesday - sightseeing in Nyíregyháza
Wednesday - city ZOO or Skanzen (Historic Village)
Thursday - conference banquet in the Tokaj region with wine tasting
Friday - traditional pancake party

Saturday is the day of departure – sleep overnight at the Révész' for those who need to wait for their train / plane.
