

Postdoctoral positions at the Rényi Institute

A two-year postdoctoral fellowship in mathematics opened for application at the Alfréd Rényi Institute of Mathematics (Budapest, Hungary), starting in September 2018, in the field of

Low Dimensional Topology and related areas,

(preferably in knot theory, 3- and 4-manifold theory, complex surface singularities, contact and symplectic topology). The position is teaching free; in particular, the candidates are not required to speak Hungarian. The salary is 24,000 Euro/year, together with a travel grant of 1500 Euro. The project is financed by the National Research, Development and Innovation Office of Hungary through the *Élvonal (Frontline)* Excellence grant *Knots, links and complex singularities*.

Deadline for application: February 28, 2018

Please send applications by e-mail to **ldtbud@renyi.hu**

The application should contain:

- a CV
- a list of publications
- a short (2-3 pages) summary of past research
- a short (2-3 pages) research statement.
- Two letters of recommendation should be directly sent to ldtbud@renyi.hu.
