

# HUN-REN ALFRÉD RÉNYI INSTITUTE OF MATHEMATICS

The HUN-REN Alfréd Rényi Institute of Mathematics is seeking applicants for a 2-year postdoctoral research fellowships in the field of

## **low dimensional topology**

Candidates are expected to show outstanding promise in mathematical research and active participation in the institute's life.

The position comes with no teaching duties. Candidates are not required to speak Hungarian. The gross salary will be 950,000 HUF per month<sup>1</sup>, supplemented by a travel grant of 500,000 HUF per year.

**Deadline for application: 31st January 2025.**

Applications must be sent by email to [low-dimensional.topology@renyi.hu](mailto:low-dimensional.topology@renyi.hu), with subject "LDT postdoc".

The application should include:

- a CV;
- a list of publication;
- a statement of purposes, consisting of 2-3 pages on past research and 2-3 pages on future research;
- two letters of recommendation should be directly sent to [low-dimensional.topology@renyi.hu](mailto:low-dimensional.topology@renyi.hu).

Applicants will be notified about the decision by 1st May 2025. For further information, please contact [stipsicz.andras@renyi.hu](mailto:stipsicz.andras@renyi.hu) or [marengon.marco@renyi.hu](mailto:marengon.marco@renyi.hu).

---

<sup>1</sup>The net salary in Hungary is 2/3 of the gross salary, unless tax discounts apply. For information on the cost of living in Budapest, see <https://www.numbeo.com/cost-of-living/in/Budapest>
